RE: Sewer Service for Cedar Hill Baptist Church

Dear Mr. Pickney:

This letter is to serve as the formal request for On-Site Systems, Inc. to provide service to the above-referenced business. As you are aware, when we expanded the church, the existing system was not adequate to service the expansion and we did not have enough permeable soils to facilitate enlarging the existing system. Since the City of Cedar Hill does not offer sewer service to our church, we requested that On-Site Systems, Inc. provide this service.

Sincerely,

Paul Gamble
